## Chessington Children's Centre

### Organisation Details

#### Description of activity

Welcome to Kingston Children's Centres Services

Children's Centres are places where all families with children under five, and expectant mothers and fathers, can go to help their children to get the best start in life. The facilities and activities are designed for young children and their families.

We are so pleased to be able to begin offering some services within our Children's Centres.  
The current timetable will cover 2 November - 18 December 2020.

We will be carefully monitoring the pandemic situation and hope to be able to allow more of our wonderful sessions to return as the term progresses.

We have a team of fully qualified and experienced staff who can offer advice, information and guidance at any time. Should you have any questions please do not hesitate to contact us on 07849 305143 or 07784 006661 or email us at [kingstonccs@achievingforchildren.org.uk](mailto:kingstonccs@achievingforchildren.org.uk)

The team are able to offer help and advice on a wide range of topics; child development, learning opportunities, education, childcare, early education funding for 2 & 3 year olds, healthy start applications, food banks and much more.

Children's Centres are continuing to operate a virtual timetable on their Facebook page and would like to encourage families to access this as a further source of support. We will be posting when more sessions are able to return to our Children's Centres. Search for us on Facebook using "Achieving for Children Kingston Children's Centres" or use the link below:
