21 & Co is a registered charity run by parents, offering help and support to children with Down syndrome and their families in South West London, Surrey and surrounding areas.

From about 7 – 8 years children can join our Drama groups. These have been a huge success and aim to build on the skills they've developed in their social communication groups. But most importantly, they're an opportunity to maintain friendships. The Drama group runs on a Tuesday evening at 5pm at the Langdon Down Centre. The group works on a variety of dramatic techniques from experimenting with play to improvising everyday situations. From time to time the children put on a short performance for family and friends to showcase what they have been learning. Throughout the term the children will participate in group, pair and solo work using their voice, body language and facial expressions creatively. The drama group aims to create a relaxed environment where the children can express themselves freely. Contact Louise, louise@21andco.org.uk
