The Transition Project

Every Saturday morning during term-time, we open our Teddington office doors and welcome a small group of young people with Special Educational Needs and/or Disability - who are starting to think about their transition into adulthood.

The Transition Project offers a space for young people to explore their futures and assists in creating opportunities. It focuses on CV writing, support with school/college work and essential life skills in a fun, safe, social and supportive environment.

By referral only
