⌚ 10AM to 12PM

📍 Star Centre, King Charles Crescent. [View map](#)

We are pleased to announce the Preparing for Adulthood (PfA) SEND Team will be hosting a coffee morning to give young people aged 14-25 with an Education Health and Care Plan (EHCP), and their parents and carers, the chance to meet those involved in the transition to adulthood.

We have listened to your feedback about the timing and have arranged to hold them in the morning during the February half term. We hope this works for young people and their parents/carers.

We are keen to encourage as many young people as possible to attend so that they can have the opportunity to make informed decisions about their future

The event has been designed to allow the providers and professionals the time to share details of the services they provide. It will give young people, and their parents/carers, the chance to meet the professionals and ask any relevant questions.

Those in attendance will be:

EHCP Co-ordinator

14-25 Team (vocational pathways, Way-2-Work, Careers advice)

Participations Officer

Balance Travel Training

The Preparing for Adulthood Educational Psychologist

Adult Social Care (TBC)

Health professionals (TBC)

Please let us know that you will be attending by booking using the link below.
