The Lighthouse Project is a fun and welcoming youth club for young people aged 11-24 with ASD/ADHD. The club has been running for over 10 years and has been a great support network for all the members to be able to discuss any concerns or simply have fun in a safe environment.

The sessions are every Thursday evening 6:30-8:30pm for mixed ages 11-24 and involve activities such as; games, quizzes, sports, art, tie-dye, movie nights and much more! We also go on occasional trips and run a great summer programme!

Membership is by referral only - there is no open access. Referral can be made by professionals or parents. To discuss whether this club might be suitable for a particular young person or to arrange a visit please contact us.

The group is open to young people from the Richmond and Kingston boroughs.

Note: Sessions may be held online due to COVID restrictions.

Thursday evenings 6:30-8pm via google meet link sent out in advance.

If anyone would like to join the project please contact meg.scott@achievingforchildren.org.uk
