Pathway 3 - Digital Employment Programme

Within Pathway 3 - Digital Employment Programme, we shall work as a team, to build upon each individuals employment skills through creating a monthly podcast and newspaper. Each individual will work within all areas listed below, to understand different responsibilities in a real business.

Areas will include:

Sales Team

This will include managing membership fees and completing basic book keeping. Learning how to follow a spreadsheet and basic numeracy.

Design Team

Designing the newspaper around the theme of the content understanding the use of different computer programmes and working with the communications team on their vision building upon communication and team skills.

Communications Team for newspaper

This will include making arrangements for guest journalists within our newspaper working upon basic communication skills via email, telephone calls and old fashioned letters. The team will also write their own content, working on literacy and computer skills using Microsoft word.

Communications Team for podcast

This will include making arrangements for guest speakers within our podcast working upon basic communication skills via email, telephone calls and old fashioned letters. This team shall work upon public speaking through presenting and interviewing on our podcast.

Technical Wizards Team

This team shall edit the podcast, using sound technology on computers, upload content online in different formats. This team will work upon technical sound components and how to transfer documents online.

Website and Social Media Team

This will include maintaining content online, interacting with communications on social media building upon social skills and learning safe usage of the internet across social media platforms.

Stock Management Team

This team shall check stock against our sales of the newspapers, learning about basic inventory and working upon numeracy skills. In addition to this, the stock management team shall post all newspapers out, working upon their money management when posting the newspapers out.

Each individual shall be set daily tasks within each team, reaching targets to be at an employable level after the 2 year programme.

The programme runs five days a week Monday - Friday, 9am-4pm.

You can attend on a full or part time basis.

Please Note: If the individual already attends a provision, this does not narrow their options. Each young adult can use their Self-Directed Support (SDS) or other funding from their care package, to attend several provisions. We are happy to advise you on this.

Our programme is suitable for students with a learning disability or disability who are able to manage their own behaviour within a variety of settings.
