Yorda Adventures are a non-profit organisation who specialise in working with children with learning disabilities and their families. We are based in Chessington and run our projects out of the Yorda Playhouse.

We are really excited that this summer we are running a variety of projects for children with disabilities and their families in a fun and safe space to access with their friends.

These include family days Tuesday-Thursday 11am-1.30pm

Such days include full access to the Yorda playhouse and forest area (including sensory room, bouncy castle, trampolines, real world rooms and soft play), as well as many stimulating and exciting activities run by the amazing staff here every session at 11.30am.
