Knots Arts drama sessions run in East Sheen and are an exciting place for children aged 4 – 16 years old with social communication difficulties to come and make new friends whilst having fun.

Drama sessions consist of games and activities which are designed to support the development of team working, processing and understanding and speech and language. Each session begins with a sharing of news from our week, followed by drama games appropriate to the ability of the group and culminating in a drama activity such as story-telling, physical theatre or improvisation.

Please note: If government restrictions mean that we cannot run in person, these sessions will take place on zoom.

Groups run throughout the morning and last approximately 1 hour, children are placed in groups by age or ability. Please get in touch to discuss which group would work best for your child.
