The Southside Youth Team is an experienced team of youth workers based across Kingston upon Thames, offering a variety of positive interventions and engagement opportunities for young people who live and/or are educated in the borough.

We offer a mixture of positive activities including, but not limited to, sports (football, basketball, archery, badminton etc) arts and crafts, music studio booking for production and vocal recordings as well as DJing, information, advice, guidance and signposting on all areas of young people's lives (such as, employment and benefits, sexual health and substance misuse to name a few).

We deliver our services in a variety of locations including youth centres, local parks, from our youth bus, in schools, sports centres and other community venues.
