Achieving for Children has commissioned the YMCA to deliver youth work out of the Hampton Youth Project.

All of our sessions at YMCA Hampton Youth Project take place in a safe and friendly environment. Young people can socialise with their peers, play pool, table tennis, play computer games, surf the internet or can engage in sports activities such as football, basketball, badminton. We also have an indoor climbing wall.

Young people have the opportunity to involve themselves in a range of activities that can assist them to develop life-long skills and address their social and personal needs.

Activities include:

Art and crafts

Cookery sessions

Studio music sessions

Workshops addressing social issues

Sports sessions – football, badminton, volleyball, dodgeball and basketball

The centre has an indoor sports hall with 30ft climbing wall and indoor archery. There is also a youth café, social area and music/recording studio.

The centre is fully accessible.
