🕒 All Day

📍 Orleans House Gallery, Riverside. [View map](#)

View Orleans House Gallery like you've never seen before! Ask, look, create, imagine with our new family trail guide. Visit the front desk or the café, borrow our trail sheet, and start your journey. We also have paper, pencils and clipboards available if you want to use them too.

This trail is a simple set of questions to ask on your way around the gallery spaces to help children and their grown-ups engage with our exhibitions and spaces.

The activity is free to use and we ask families to return the trail when they have finished.

The activity trail has been designed by Kayleigh Edun and illustrated by Emma Thrussell.
