Balance CIC

Organisation Details

Description of activity

Balance is a Community Interest Company (CIC) based in South West London which delivers high quality support to enable people to become less reliant on services and reach their potential.

Balance grew out of a team that was part of Adult Social Care within Royal Borough of Kingston. Over the last nine years Balance has provided employment and support services to a range of client groups.

Our key services in Kingston include:

Our Supported Living service, supporting adults with learning disabilities and other needs in living rich and full independent lives

Our Employment Support service for adults with mental health conditions

Our Community Activities services, providing stimulating daytime activities for adults with learning disabilities and other needs (activities include catering, customer service, horticulture, arts, crafts and woodwork).

Our Independent Travel Training service, supporting vulnerable children and young adults in gaining lifelong independence through using public transport

Our Residential care home Woodbury, supporting adults with learning disabilities and a wide range of complex needs
