Anti-Bullying Alliance

Organisation Details

Description of activity

The Anti-bullying Alliance is a coalition of organisations and individuals working together to stop bullying and create safe environments in which children and young people can live, grow, play and learn.

SEN & Disabilities

You can find many more resources about special educational needs and disabilities (SEND) on our SEND Information Information Hub on our website.

We are a small team and so while we endeavour to respond to as many messages as we can, please be patient with us. We are not able to support individual cases of bullying and so if you need one to one support please visit the advice section of our website for information and organisations that may be able to help.

If you are a child or young person who is worried about bullying then contact ChildLine at any time 0800 1111 - calls are free and confidential.
