Action on Hearing Loss

Organisation Details

Description of activity

Action on Hearing Loss is the new name for RNID. We're working for a world where hearing loss doesn't limit or label people, where tinnitus is silenced and where people value and look after their hearing.

We want:

- people to acknowledge their hearing loss and take action
- more support for people with hearing loss
- no one to be isolated through their hearing loss
- people to protect themselves against hearing loss and tinnitus
- to cure hearing loss and tinnitus
