React - Rapid Effective Assistance for Children with Potentially Terminal illness

Organisation Details

Description of activity

React - Rapid Effective Assistance for Children with Potentially Terminal illness is a dynamic charity working to improve the quality of life for children with life-limiting illnesses living in financially disadvantaged households throughout the UK.

What they do

Helping children with life-limiting illness, React works to give children comfort, dignity and where possible, greater independence. This past year, they have supplied a wide range of equipment from specialist wheelchairs, beds, baths, and mobility aids, to essential everyday items like washing machines and tumble dryers.

React's Holiday Homes

Families can apply for a week's holiday at mobile homes around the UK.
