Whizz-Kidz

Organisation Details

Description of activity

Whizz-Kidz sets disabled children free to reach their true potential and live their lives to the full. They provide mobility equipment to give kids the chance to be independent. But the wheelchair is just the start! They also run youth groups such as Whizz Kidz Ambassadors, wheelchair skills training, residential camps and work placements, allowing young disabled people to gain skills, make friends and become confident wheelchair users.

There is a section on the Whizz - Kidz website for young people
