Wizzybug loan scheme

Organisation Details

Description of activity

Wizzybug is the fun and innovative powered wheelchair for kids under 5.

Generally there is no NHS funding for powered mobility for children under 5 so we fundraise to make Wizzybugs available.

Thanks to the generosity of our donors, we are loaning our Wizzybugs for FREE to children in mainland UK who could benefit from them.

Families can have a Wizzybug for as long as the child can benefit (this is usually until they outgrow it) and when they have completed their loan, they return their Wizzybug and we refurbish it for another family.

Visit the Wizzybug page to learn more or if you would like to apply to the loan scheme, please have your child's therapist contact us.
