Ambitious about Autism

Organisation Details

Description of activity

Ambitious about Autism is the national charity for children and young people with autism. We provide services, raise awareness and understanding, and campaign for change. Through TreeHouse School, The Rise School and Ambitious College we offer specialist education and support.

Our ambition is to make the ordinary possible for more children and young people with autism.

Our Youth Council is a group of 16-25 year olds, with autism, who meet at least four times a year to discuss and plan campaigns, events and consultations. Our Youth Council make sure that all the work we do at Ambitious about Autism reflects the views and needs of children and young people with autism.
