Organisation Details

Description of activity

Welcome to Kingston Children's Centres Services

We are so pleased to be able to continue to offer our sessions in our centres this half term. Some sessions may start up during this term after this timetable has been published so keep an eye on the Facebook page and centre advertisements. This timetable will cover the first half of the autumn term from 6 September to 23 October 2021.

Although Covid restrictions have been removed the Children's Centres wish to ensure the Health and Safety of all our staff and families attending and as such all our sessions will remain bookable with reduced numbers.

Children's Centres are places where all families with children under five, and expectant mothers and fathers, can go to help their children to get the best start in life. The facilities and activities are designed for young children and their families.

We have a team of fully qualified and experienced staff who can offer advice, information and guidance at any time. The team are able to offer help and advice on a wide range of topics; child development, learning opportunities, education, childcare, early education funding for 2 & 3 year olds, healthy start applications, food banks and much more. Should you have any questions please do not hesitate to contact us on 07541 206836 or 07784 006661 or email us at kingstonccs@achievingforchildren.org.uk

If you haven't visited one of our Centres in the past or you are an expectant or new parent please complete our online registration form
