The Real Junk Food Project

Organisation Details

Description of activity

This project aims to abolish local surplus food through a variety of Pay As You Feel concepts. They work with local partners to intercept food destined for landfill and redistribute it through a network of "Pay As You Feel" Pop-up cafes and food events.

The project runs a community cafe at the ETNA Community Centre in Twickenham to trial some pop-up coffee mornings and cold lunches. They open every Monday morning at 11am to 1pm.

All are welcome to come, enjoy a delicious coffee morning and find out what the Real Junk Food Project is about!
