## Organisation Details

### Description of activity

COME SAILING - NO EXPERIENCE NEEDED

Come and try something different and exciting and make new friends. We are a small friendly club where we all help each other to get as much sailing in as possible. We include families and their carers.

RIVER TRIPS

Have a go on the helm on a wheelchair friendly boat, called Impossible Dream, on the River Thames.

SEA TRIPS

For sailors who would like to try sea sailing, we go for a day trip on a wheelchair friendly 32' catamaran called Spirit of Scott Bader from Port Solent.
