## PowerStation Youth Centre

### Organisation Details

#### Description of activity

We are doing things differently because of COVID 19. Please visit our web page for updates on the latest activities and how to book them. Youth workers will be available for young people if they need support, information, advice or guidance and that they should feel free to contact us on our office or mobile telephone numbers during this period.

We have great facilities here including a social area with food and cooking facilities, a large sports hall and an upstairs IT suite with networked computers and TV lounge. We also have a fully equipped music recording studio and rehearsal room. The centre is open every day and our rooms are available for hire. perfect for children's parties, gym clubs or arts and crafts groups.
